

Make the Call to CCEDC when:

- Your business is looking to grow
- You are worried about downsizing your business
- You are looking for a building and/or site in Clarion County
- You are looking for employees
- Your employees have training needs
- You are considering purchase of equipment, machinery, and/or building
- You are considering exporting and/or government procurement
- You are considering developing or upgrading your website
- You are developing a new product or service
- You have a waste stream that could be reduced
- You want to improve your production efficiency

When you make the Call to CCEDC:

- A CCEDC professional meets with you to actively listen, to diagnose needs, and to recommend a course of action to meet your needs
- Once a course of action is agreed upon, the CCEDC professional will follow-up with you and the appropriate Resource Partners to implement programs to meet your needs, and CCEDC will continue to work with you and our team of Resource Partners until your needs are satisfied.

For the latest information about:

- Business development events,
- Finding sites/buildings,
- Financing for your business,
- Assistance for your workforce needs, and
- Business planning, market expansion, and product development,
